MINISTRY SPOTLIGHT AND WEEKLY PRAYER REQUESTS

Please pray for the elderly people and government workers of Romania as they struggle to deal with recent deep retirement and salary cuts imposed by the government. Also, pray for the governmental officials who are making such difficult decisions. Many of the decisions are brought about by EU requirements. Just pray that the changes are brought about fairly and with compassion on the people who ultimately have to pay the price.

## Weekly Prayer Requests:

1. Praise the Lord for all the safe travels we have experienced (630 miles yesterday) traveling from Missouri to Florida this week. We had a great visit with our home church and also with many friends and family. It was also great going in and talking with Stan Schultz and the crew at the engineering firm that I worked at when we left to the field in 2003. Thanks Lord for a great visit to Missouri. - *Troy*
2. Thanks Lord for getting Karla and Robert a great Dr. to help them with Lyme disease. They couldn't find a better person to help them with this as I see their obvious progress as a result of their treatment they are now taking. - *Troy*
3. Pray for a team that is currently in the country of Romania this week. Pray for many contacts and for the Gospel to be presented in a way that can be heard and understood. - *Troy*
4. Please continue to pray for my trip to Prestonwood next week. Pray that I will be able to communicate clearly and more importantly listen and learn from them and also need to come to some conclusions concerning future partnerships and work together. - *Troy*
5. Pray for Andrew and Katie as they work hard to finish up this school year. We have traveled and moved so much that they are now behind and need to work hard to finish on time. - *Troy & Karla*
6. Pray for the Gulf Coast that is about to be covered with the flow of oil from the spill. People are very uneasy about this and can't see how they are going to make it through this summer without the tourism and fishing income. Pray that the Gospel will be proclaimed in a way that people will help see hope beyond this horrible situation. - *Troy*
7. Please continue to pray for our friends, Randy and Teresa Myers, as they are settling into their new lives in the states. Pray specifically for Teresa's recovery from surgery and therapy on her shoulder. Pray the Randy will find full time employment that will meet the financial needs of their family. - *Dawn*
8. Pray for the pastor and leadership team at Metanoia Church in Braila as they are starting a process to develop and focus men's ministry in their church. They are having a first meeting on Saturday morning to start this process. Pray that I will have wisdom to listen and learn as I have been invited to attend and potentially partner with them in this effort. - *Randy*
9. Pray that I will be able to find a new language / ministry helper to assist me in the work here. Soon I will be losing Mihai Miron as he will be seeking a new job. Mihai has done an outstanding job and I praise God for the time we have had together to work in the streets and homes of Cazasu. Pray that he will be directed to a job which will meet his needs and present opportunities to witness for the Lord. - *Randy*
10. Pray for all of the missionaries who work and minister to the Orthodox background peoples around the region associated with the Black Sea. We will be traveling to Kiev, Ukraine at the end of next week to fellowship, refresh, and re-energize ourselves to continue ministering in our respective fields of service. - *Randy & Dawn*

For this reason I bow my knees before the Father, from whom every family in heaven and on earth is named, that according to the riches of his glory he may grant you to be strengthened with power through his Spirit in your inner being... - Ephesians 3:14-16
