

# Team Eastern Romania

MINISTRY SPOTLIGHT AND WEEKLY PRAYER REQUESTS

Please pray for the people in the Valley area of Galati as they have really been hit hard with flooding and the resulting clean up afterward. Pray that even in such difficult circumstances, they will seek the answers to their questions through a relationship with Jesus Christ rather than listening to the embittering whispers of the devil. Pray that Bogdan who ministers to them will have wisdom and strength to lead them to Christ and minister to their other needs as well... amen.

## Weekly Prayer Requests:

1. Pray for our final two months here in the states to be as productive as the last two months. We are really enjoying spending time together as a family. We have been extremely blessed in getting to spend time with our extended family and just relaxing in the Lord's strength. We are very thankful to our Lord and do not take this time for granted. - *the Geddes Family*
2. Pray for Karla and Troy as we are working hard once again at building our Romanian vocabulary before returning to Romania. - *Karla & Troy*
3. Pray for Robert as He is making plans to join the USAF this coming year or early next year. Pray for him as he needs to accomplish several things to make that happen. Pray for the Lord's hand in this new direction for him. - *The Geddes Family*
4. Pray for me as I am praying and asking the Lord to give me wisdom on how to best to start new ministries back in Galati and Braila and also trying to be a stronger influence in the area of reaching the lost Orthodox. I have so many ideas but just can't seem to put them down on paper. Please pray that the Lord will really speak to my heart in real and tangible ways that I might truly hear his still small voice in the midst of all the daily activities. - *Troy*
5. Please pray for the Tuns Family... Cornel, Erica & Laura as they settle into their new appointment as career personnel in the Bucharest area. They will be working with Team Romany, targeting the Roma people group. Cornel majors on training Roma leaders. - *Team Eastern Romania*
6. Please be in prayer for another new family to join us on the field... the Foremans. They are (starting with dad & mom) Ray, Becky, Timothy, Lizzie, Parker and Benjamin. Yes, you counted right! The Foremans have four young children so please pray especially that they will adjust well to the new culture and that mom and dad will be given much grace and patience as they settle into their new home. - *Team Eastern Romania*
7. Dawn and I do ask you to be in prayer as we start becoming involved with a new IMB team in the Eurasia Affinity. This group is responsible for training of new personnel and provide training resources for volunteer teams. This is an opportunity to help our company in a unique way doing technical development while still being able to do local ministry here in Braila. - *Randy & Dawn*
8. Please pray for Metanoia Church here in Braila as they are conducting special outreach services each Sunday night during July. Pastor Mezin continues to challenge the church to engage the public in ministry and evangelism. Pray that these special services bear much fruit for the Kingdom. - *Randy*
9. We ask you to specifically pray for a young Christian lady that we know who is leaving for the US in a few weeks to attend college in Kentucky. Her name is Gaby Parnica and she has spent the last several years in Home of Hope Orphanage. Pray that her transition to the US will be safe and smooth. - *Randy & Dawn*

For this reason I bow my knees before the Father, from whom every family in heaven and on earth is named, that according to the riches of his glory he may grant you to be strengthened with power through his Spirit in your inner being... - Ephesians 3:14-16
