MINISTRY SPOTLIGHT AND PRAYER NEWSLETTER

Pray for the Nicholas' and the Geddes' families as we are reunited next week and refocus our efforts on how to train nationals and institute a strong plan which will lead to a meaningful harvest of souls in the cities of Galati and Braila, Romania. Pray that God will bless the plans that will include a leadership training center for nationals. - *Team Eastern Romania*

Weekly Prayer Requests:

1. Praise the Lord for a wonderful time at Skyline Baptist Church in Branson last week. We were able to share at a prayer breakfast, Sunday School class and also during the morning service. We were also spoiled beyond reason by our hosts, Jack and Becky. It was a great time for my family also as we were able to spend time with my parents who recently returned from the mission field in Bolivia. It was difficult for us though as Matthew and Robert left for Liberty in the middle of the week but we thank the Lord for their safe return to Virginia. - *Troy*
2. Pray for us as we will have traveled back to Florida this past Monday and for our opportunity to share at the Myrtle Grove Baptist Church this Wednesday. We will then travel to Atlanta the following Sunday and return to Romania the first of September. Pray for travel mercies and for our hearts as we will say good by to many special people this week. - *the Geddes Family*
3. We praise the Lord for an impeccable time here this summer with so many blessings and opportunities to rejuvenate our spirits and allow our family to enjoy time together. We are so thankful for His hand in each and everything we were able to do and also all that He did to restore our hearts to want to get back at the work of reaching into the harvest when we return to Romania. - *Troy*
4. We were able to speak and attend several churches this summer in Missouri, Florida, Alabama and Texas. We were very much encouraged with the number of churches that were not offended by the hard message and a hard challenge that was put before them. Actually it was just the opposite as in most churches the people seem to be encouraged by a straight up message of living for Jesus by standing for righteousness and making a priority of reaching the lost the center of all they say and do. Praise the Lord for this. - *Troy*
5. Please pray for our families transition back to the field as you can imagine we have a huge amount of things that must be accomplished as we get back to church planting in the cities of Galati and Braila, Romania. - *Troy*
6. Please pray that God will strengthen and bless the acting pastor, Marin, at Lacu Dulce with wisdom to lead his people and that God will give them fruit for their labor in this difficult neighborhood. - *Randy*
7. Pray for men's group from Holy Trinity Church in Braila who are meeting on Tuesday evenings to embrace the challenge to sincerely follow up on new converts which have been won through the ministry of Diaconia Clinic. - *Randy*
8. Please continue to pray for the sweet ladies who attend the Bible study that I am leading at Lacu Dulce. God has answered the prayers for courage to lead, now I need prayers for leadership in the studies that He wants me to present. I desire to use studies which will impact their lives and glorify God. - *Dawn*
9. Please continue to pray for our involvement with the strategy training development team as we seek a clear path for how to best serve our colleagues throughout Europe with adequate training resources. - *Randy*

For this reason I bow my knees before the Father, from whom every family in heaven and on earth is named, that according to the riches of his glory he may grant you to be strengthened with power through his Spirit in your inner being... - Ephesians 3:14-16
